

**CITY OF FREMONT
NOTICE OF PUBLIC HEARING**

Notice is hereby given that the City Council of the City of Fremont will conduct a public hearing per Elections Code Section 21607.1 during its regular City Council meeting, on April 5, 2022, at 7:15 p.m., at which the City Council will 1) conduct a public hearing to receive additional public input on communities of interest and district boundaries, and 2) adopt a final map. Every ten years, following each federal census, California cities that used district-based election systems must review the boundaries of these voting districts and re-adopt boundaries based on current census data. The purpose of this redistricting process is to ensure that voting districts remain substantially equal in population and still protect the rights of members of communities of interests to vote for the candidates of their choice.

All interested persons are invited to attend said hearing and express opinions relating to this matter.

This meeting is being conducted utilizing teleconferencing and electronic means pursuant to Government Code Section 54953(e) (Assembly Bill 361). The live stream of the meeting may be viewed on the City of Fremont's website at www.Fremont.gov/Channel27, which also provides a link to the live stream; or, on Comcast Channel 27. Please note at this time, Channel 27 is only available to Comcast cable subscribers. Also, the meeting may be viewed online using Zoom, as described below. The public may only view the meeting on television or online and not in the Council Chamber.
